# ABOUT ICELINERS SYNCHRO

GRACE IN MOTION · POWER IN STRENGTH · UNITY IN EVERY LINE

The IceLiners Synchronized Skating Team is the synchro program based at Ice Line — a sister club to ILFSC. Synchro is a high-energy team discipline where skaters perform together as a unit, and it pairs well with individual freestyle training. Many ILFSC skaters do both.

- **Lines for every level** — Aspire 1-4 (entry level, no experience required) through Preliminary, Pre-Juvenile, Open Juvenile, Juvenile, and Intermediate.
- **NEW: Aspire Adult and Open Collegiate lines** — Adult (21+) and full-time college students can join, with no prior skating skills required. Perfect for those wanting team-skating experience without test-level prerequisites.
- **Practice schedule built around real life** — Most lines practice on "Synchro Sundays," keeping weekdays free for school, individual freestyle training, and family time.
- **Discount on your ICE package** — Active IceLiners Synchro members qualify for the IceLiners Member tier (\$1,600 vs \$2,000) — a 20% discount on the standard 18 & Under package.
- **Tryouts & clinics** — Tryouts run each spring with skills clinics beforehand. Visit [icelinerssynchro.com](http://icelinerssynchro.com) for current dates and to register.

# FREQUENTLY ASKED QUESTIONS

---

## **Q. DO I NEED TO BE A CLUB MEMBER TO SKATE FREESTYLE?**

No. You don't need ILFSC club membership to purchase an Ice Package, but you must have a valid USFSA number. Most skaters who use the ice regularly do join the club for full benefits (Club Show participation, etc.).

## **Q. WHAT'S THE DIFFERENCE BETWEEN USFSA MEMBERSHIP AND AN ILFSC ICE PACKAGE?**

USFSA membership is your skater's national governing-body registration — required for testing and competing. An ILFSC ice package is what gets you on the ice at Ice Line. They're two separate purchases through two different platforms (Entryeeze for USFSA, DaySmart for ice packages).

## **Q. IF I HAD A 2025-26 ICE PACKAGE, WHEN DO I RENEW?**

Your 2025-26 package remains valid through July 31, 2026. You don't need to purchase a new package until August 1, 2026 — although you can renew earlier if you prefer.

## **Q. WHAT IF I'M PURCHASING FOR THE FIRST TIME MID-SEASON?**

You can register starting July 1, 2026. Your package will provide coverage from your purchase date through July 31, 2027. Club fees will not be prorated until calendar year 2027.

## **Q. HOW DO THE DISCOUNTS WORK TOGETHER?**

The 5% Pay-in-Full discount and the \$85 Sibling discount can both apply to a single registration if you pay in full and register siblings at the same time. Discounts do NOT apply to payment-plan registrations.

## **Q. WHEN IS THE PAYMENT PLAN DUE IN FULL?**

All payments must be complete by December 31, 2026 to remain in good standing for all club and USFSA activities — including testing, competitions, and Club Show participation.

## **Q. WHAT'S THE ICELINERS MEMBER DISCOUNT ABOUT?**

Skaters who are active members of the IceLiners Synchronized Skating Club at Ice Line receive a 20% discount off the standard 18&U price (\$1,600 vs \$2,000). This recognizes the additional commitment synchro members make to the broader skating program.

## **Q. HOW DOES THE CLUB SHOW WORK?**

The annual ILFSC Club Show is a member-only ice production held in spring. All ILFSC membership tiers include Club Show participation at no extra cost (covered by your dues). Skaters must be club members by February 1, 2027 to participate in the 26-27 show.

## **Q. WHAT ARE THE TYPICAL ICE TIMES?**

Club ice runs across multiple time bands: weekday mornings (schedule to be determined, posted in August), weekday afternoons (Mon/Tue/Thu/Fri, typically 2:00–5:30 PM, after school), and select weekend slots. The full schedule is published before the season starts. Adult and Collegiate tiers include all morning sessions plus 2 afternoon sessions per week — full schedule available on the ILFSC page.

## **Q. ARE COACHES INCLUDED WITH MY MEMBERSHIP?**

No. Coaching is contracted directly between you and your selected coach. Coaches set their own lesson rates and schedules. Lessons are highly recommended but not required to use freestyle ice.
